- ii. The bidder(s) short listed after Technical evaluation, may be required to organize inspection of his(their) service facility by officials & experts deputed by AMTRON.
- iii. AMTRON reserves the right to settle matters in regard to the final numbers of institutions to be provided service during finalization of the order.
- iv. C form will not be provided by the Purchaser.
- v. Road Permit shall not be provided by the Purchaser.

### **3.2 Inspection:**

AMTRON reserves to right of inspection for technical conformity of the solution quoted, service facilities at times and in the manner, it deems fit & necessary.

### **3.3 Proposed Timelines:**

**The time schedule for the Supply Order will be as follows:**

<b>Activity</b>	<b>Time in days</b>
Issue of Purchase Order	T
Delivery & handover of approved equipment	T+15 days

### **3.4 Consideration for the supply/service order:**

1. Prices quoted in the bid must be firm and final and shall not be subject to any upward modifications, on any account whatsoever.
2. The Commercial bid should clearly indicate the price to be charged without any qualifications whatsoever and should include all taxes, duties, fees, levies, works contract tax and other charges as may be applicable in relation to the activities proposed to be carried out.
3. The taxes will be applicable as per the current rate. In case of any change in the applicable rates, the bidder shall bill according to the then prevalent rate. However, should there be a change in the applicable taxes Purchaser reserves the right to negotiate with the Bidder.
4. Prices shall be quoted in Indian National Rupees (INR).
5. The prices will be FOR.
6. All payments will be made on the following milestones:

### 3.5 Payment Schedule:

Sl. No.	Milestone	% of Payment
1	Delivery and installation of Furniture	100%

### 3.6 Manufacturer Warranty:

All the furnitures supplied must be guaranteed by the vendor/OEM Company for 1 (One) years, wherever applicable as first party guarantee for proper operations, performance and correction of any malfunction. The warranty period will commence from the date of handover of the equipment to the end user.

The warranty must include, if not mentioned herein otherwise, but not limited to the following: -

- a) Free-of-cost all services required during the entire warranty period that should result in complete restoration of the equipment to its fully functional status.
- b) Must provide for free-of-cost complete replacement of the concerned module of the equipment, for any fault, malfunctioning or defect found in the period of 36 months from the date of handover to the end-user.
- c) Provide for free-of-cost replacement of defective components/parts of the equipment for the warranty period.
- d) Provide for services of repair & maintenance for the warranty period.
- e) Provide for repetitive replacement of defective parts subject to reduction of the warranty period of the concerned new part/component to the extent of the warranty life consumed by the old replaced part, counted from the date of start of warranty period.
- f) Such warranty facility shall be made available at par at all warranty maintenance onsite at AMTRON, Guwahati.
- g) Such warranty facility shall be without limitation on an end-user to a particular warranty maintenance centre/(s).

The Bidder/(s) who is/are awarded the supply order/(s) shall handover, along with the equipment, all the operational and maintenance manuals, Warranty card of all equipment to the purchaser along with authentic ownership/ purchase documents/ licenses, warranty certificate wherever applicable.

**During the Warranty Period, the manufacturer will provide at no additional cost to the Purchaser. During the warranty period, RMA and shipping cost to be borne by the manufacturer. Undertaking from manufacturer to be provided.**

In cases where the new version, release, or update adversely affects System operation or performance, or requires extensive reworking of the System, the Supplier shall continue to support and maintain the version or release previously in operation for as long as necessary to allow introduction of the new version, release, or update.

### 3.7 Bid Validity Period:

Bids including financial shall remain valid for 60 (sixty) days after the date of opening of Technical Bids prescribed by the Purchaser. A bid valid for a shorter period may be rejected as non-responsive. The prices ex-

cluding the taxes, finalized after opening the tenders shall not increase throughout the period of 60 (sixty) days.

**Extension of Period of Validity:** In exceptional circumstances, the Purchaser may request the Bidder(s) for an extension of the period of validity. The request and the responses thereto shall be made in writing (or by fax). The bidder shall be at liberty to refuse the request. In such a circumstance, it will be construed that the bidder has withdrawn his bid and will not be entitled to claim or receive any penalty/damages/ interest/charges. However, he will be entitled to return of his bid documents submitted and refund of the EMD.

### **3.8 Bid Evaluation Criteria:**

#### **i. Evaluation of Technical Bid:**

All evaluation process will be carried out by a Tender Evaluation Committee for evaluation of technical bids and the commercial bid, to be formed by the Purchaser for this purpose. The decision of the Tender committee shall be final, and no correspondence will be entertained outside the process of negotiation by the Committee. Evaluation of the bid documents will be as shown below:

At this stage, the technical bid will be opened and examined for genuineness of the bid, documents for compliance to the qualification requirements, compliance of specifications of the tender items, submission of EMD, adequacy of documents, whether the documents have been properly signed and the documents are prima facie in order and information as stated to be required in this tender has been submitted, correct fulfilment of all required formalities. Tender bids will be studied to examine if the bidder has at least the minimum capability evidenced by fulfilment of the minimum levels of criteria & conditions mentioned in the NIT and in this tender. At this stage decisions of outright disqualification will be taken. A bid determined not substantially responsive will be rejected and may not subsequently be made responsive by the Bidder by correction of the nonconformity.

#### **ii. Evaluation of Commercial Bid:**

The Commercial bid of the technically qualified bidders will be opened in presence of the bidders authorized representative/(s) and item wise price quoted will be considered. Evaluation of the price quoted will be carried out based on the terms and conditions of the tender document. Bidders whose price bids are not in conformity of the tender's terms & conditions or are unreasonable are liable for rejection of their bids.

#### **iii. Letter of Award:**

**Purchase Order will be awarded to the Bidder/Bidders quoting the Lowest Price against each item. In other word, Item-wise L1 Bidder will be selected, and work order shall be awarded accordingly**

**Performa -B**
