All evaluation process will be carried out by a Tender Evaluation Committee for evaluation of Technical bid and the Financial bid. The technically responsive bidders will qualify for the opening of Financial bid for the “Selection of Contractor for the Supply, Installation,

RFP for Selection of Contractor for the Supply, Installation, Commissioning and Construction of
TEXMIN-AMTRON CPS 4.0 Center of Excellence within the Existing 3DPCOE at Tech City,
Guwahati, Assam

Commissioning and Construction of TEXMIN-AMTRON CPS 4.0 Center of Excellence within the Existing 3DPCOE at Tech City, Guwahati, Assam”.

- a) The Tender Evaluation Committee will open all the Technical bids received (except those received late). In the event of the specified date of Bid opening being declared a holiday, the Bids will be opened at the appointed time and location on the next working day.
- b) After opening the envelope containing “Technical Bid” the amount, form and validity of the bid security furnished with each bid will be announced. If the bid security furnished does not conform to the amount and validity period as specified in the Appendix, the “Technical Bid” will be returned and their online financial bid will not be considered.
- c) The “Technical Bid” of only those bidders will be entitled for financial evaluation online whose technical bids are found responsive.
- d) During the financial bid evaluation, total cost of the project submitted online by each bidder will be consider.

III. Right to vary scope of work by AMTRON at the time of award:

AMTRON may at any time, by a written order given to the Bidder, make changes to the scope of the work as specified or award the work in phases. If any such change causes an increase or decrease in the cost of or the time required for the Bidder’s performance of any part of the work under the Contract, whether changed or not changed by the order, an equitable adjustment shall be made in the Contract Value or time schedule, or both, and the Contract shall accordingly be amended. Any claims by the Bidder for adjustment under this Clause must be asserted within fifteen (15) days from the date of the Bidder’s receipt of AMTRON’s changed order.

IV. Split-up of Order:

AMTRON may split the Work order among the bidders in an equitable manner subject to matching of price by the qualified bidders of the technical bid in order to execute the project within the stipulated time frame.

V. Subcontracting:

The Contractor shall not appoint a subcontractor/affiliate to perform its obligations under this Contract without obtaining prior written approval of AMTRON and/or except for the purposes mentioned in this RFP. AMTRON's approval of a subcontractor/affiliate shall not constitute a waiver of any rights it may have based on the contractor's representations and warranties. The Contractor will be fully responsible for all acts and omissions of its subcontractors and affiliates.

Nothing in this Contract shall be construed to create any contractual relationship between AMTRON and any subcontractor or affiliate, nor any obligation on the part of AMTRON to pay or to ensure the payment of any money due to any subcontractor or affiliate.
